

## Dräger Lübeck

I was responsible for community management for Dräger's social media channels and able to take part in many photo shootings and projects with colleagues from all over the world.

Verena

## The Student Hotel Amsterdam

I was privileged to help my dear colleagues with customer acquisition. As part of the sales and reservations team we were the first point of contact for many of our students to make their stay as pleasant as possible.

Marco

## German National Tourist Board Madrid

I worked in a team to ensure that Spaniards and Portuguese don't forget how beautiful Germany is as a travel destination. The projects were very interesting, especially since it was not business as usual.

Isabelle

## German National Tourist Board Paris

I was an intern in Media and Public Relations of the GNTB in France. I learned a lot about German destinations and actions to take promotion-wise. All of my colleagues were incredibly kind which made life and work much more attractive.

Eila

## German National Tourist Board Brussels

My main tasks were the creation of our social media content, the communication with press, the development of campaigns to promote destination Germany, as well as partner acquisition for our campaigns and offers.

Viktoria

Katharina

## Monument Valley Simpson Trailhandler Tours USA

We organized and operated multi-day tours to several National Parks in the western part of the US. Not only did I gain valuable knowledge in the tourism industry but I also became part of a wonderful American family.

Emilia

## TripLegend Berlin

It was clear to me that I wanted to start working in the tourism sector, focusing on making it more sustainable and future-oriented.

My field of work was in the marketing team, creating content and new marketing strategies, pushing the social media reach, holding interviews and designing.

David

## Deutsche Bank Berlin

What I really loved about my work is that I had the opportunity to deepen my interest in finance and learn a lot about different business models. I was super lucky to be surrounded by so many great people and really enjoyed my time in Berlin.

## Mashup Communications Berlin

I was trusted with a wide range of exciting tasks, which made every day different and inspiring. I was writing press releases, guest articles and Social Media postings. I also had the opportunity to edit videos and to work with industry-specific software.

## Padi Dive Resort and Ocean Conservation Mexiko

My work week was divided into the area of marketing and sales and supervising and running the operations. I got insight into every area of the company and was able to develop a good understanding of what it takes to run a business.

## German National Tourist Board Copenhagen

Not only did I learn lots about Germany, but I also got a great insight to project and marketing work. I helped to organize and execute a huge online event and was busy kicking off new campaigns once travelling was allowed again.

## Leipzig Tourismus und Marketing GmbH

An internship here gives you great insights into city marketing and offers a lot of opportunities to explore Leipzig. I was able to learn about the work of different departments, realized marketing measures, attended press conferences and worked on projects.

## Senda Monteverde Costa Rica

I was assisting the team in creating signature experiences for our guests, developing our very own Senda Sustainability Tour here on property as well as incorporating diverse community outreach projects in the daily operations.

## TMB Brandenburg GmbH Potsdam

My internship was in the field of customer service and product management. However, I also had many other tasks, for example supporting the development of a marketing campaign to strengthen the touristic service providers.

## Chile Inside SpA Santiago de Chile

I spent my 7th semester at the intercultural agency Chile Inside SpA where I supported the small team with many marketing tasks like making image films about Chile as a travel destination.

## Arqum GmbH Berlin

I mostly supported Arqum in the research project "Evaluation and Further Development of the CSR Reporting in Germany" and I was responsible for the data acquisition and data analysis. As part of the project, we also organized a virtual expert conference to discuss our project results.

## Voltage OMC GmbH Berlin

Here I got an insight in the wide-ranging tasks of an account manager and the chance to interact with people from all over the world and different cultures. Besides, I'm getting familiar with the different departments of a creative agency.

Markus

## EDEKA Hamburg

I spent my Internship at the EDEKA Zentrale in Hamburg and supported the employee development department. I had the opportunity to support my colleagues in planning seminars and also got insights into the development of different strategies.

Caroline

## Nest Hostel Valencia

I worked at the reception desk where I handled check-ins, check-outs, and any question via phone, email, and directly in the hostel. I saw people from all over the world and learned a lot about cultures and character traits. I loved that there was always something going on.

Kira

## Fitz & Huxley Berlin

My major tasks were creating a market entry strategy for further countries, expanding the product range and helping to strengthen our marketing appearance. For these tasks I was in contact with European retailers, coordinated local cooperation partners and conducted market research.

Mirjam

## Ravensburger AG Ravensburg

Working within the field of product coordination I mostly maintained data of new and existing products, drafted, updated and mailed lists for novelties and marketing material. Further, I analyzed market data for all categories and channels of the company.

Benita

## GLS Sprachenzentrum Berlin

I worked in the department "Fremdsprachen and Firmenservice", organizing language classes in Berlin. I was able to help out in the Highschool department, preparing everything revolving around a highschool year and got to work with two different booking systems.

Miriam

Anna

## Kassel Marketing

During my first weeks I got to know reception work on a campground and met many people from different places, even some Swedes. This was a great opportunity for me to use my Swedish skills. I also worked at the Tourist Information and helped to film a short video for the Grimm Heimat Nordhessen.

Julia

## Daimler Truck AG Stuttgart

In the first weeks I was able to gain a lot of impressions and expand my knowledge. After that, I was given my own tasks and supported my team in topics such as employee interviews, process-related procedures, job interviews and restructuring.

## Kakslauttanen Arctic Resort Finnish Lapland

I worked in in all areas, especially reception, sales and accounting. I got to work very closely with the management and learned a lot about running a hotel. And I was lucky enough to experience winter wonderland as well as endless forests and lakes.

Louisa

## Orderchamp Amsterdam

I decided to do my internship in marketing and worked in a startup that focuses on the b2b online market. I was responsible for social media marketing and brand collaborations, so it was my task to film and post reels, which was a lot of fun.

Lisa

## Hotel Bellevue Island Mali Lošinj Croatia

The first 3 months I worked in the Executive Office assisting the general manager with project assignment and management tasks. The other 3 months I was in the front office as a receptionist helping particularly the German or English speaking guests.

Anna

## MITDIRUNDMIR Wedding Events Leipzig

My work as general assistant included taking part in meetings with service providers and couples, planning concepts for photo shootings and occasionally attending weddings. I immensely enjoyed the creative, project-based work and the close-knit office.

Megan

## Evaneos Paris

I was mainly involved in the onboarding and training of new agencies and agents, as well as managing my own portfolio of agencies spread all over Europe. So my tasks combined a mixture of communication, organizational and creative skills.

Luisa

## Deutsche Börse Frankfurt

I did an internship in the events team. The events are totally diverse: from large forums and conferences to trade fairs and smaller team events - all around the world. No two events are the same and I learned an incredible amount about event management.

Lukas

Rebecca

## Ahead Burghotel Lenzen

I got a very detailed insight into all the front office activities and worked in the housekeeping and the service sector. I also learned how to deal with people who have very different characters and gathered a lot of self-confidence. Further, I was able to apply a lot of the theory I learned during my studies.

Tomke

## German National Tourist Board Zurich

I had the opportunity to get an insight into the process of marketing campaigns and event organizing which makes my tasks very diverse. Besides working with my colleagues in the office, I also communicate independently with other partners in Germany.

## Zoo Stralsund

Not only did my internship give me insights into the daily routine of managing a zoo and the marketing activities but it also provided me with a welcoming work environment and with numerous responsibilities. It also taught me about my strengths and how I would like to work in the future.

Nena

## South American Tours Santiago de Chile

Five years ago I fell in love with Chile, which is why I made the decision to come back for my internship. SAT offers fixed group tours and mainly tailor-made programmes through South America for individuals and groups. I have learned a lot about the tourism industry and touristic places in Chile.

Johanna

## Ecotourism Australia Brisbane

I learned a lot about operational systems in sustainable tourism and the criteria for an eco-certification. I also worked on different projects and attended networking events and conferences hosted by various members of the Australian tourism industry.

Hanna

## House of Yas Cologne

I was co-responsible for the daily operation of various social media channels, which included tasks like community management, creating content calendars, writing captions, creating visuals, social media support for events and so much more. I really enjoyed working in a marketing agency!

Sina

## TriGlobal Rotterdam

My main responsibilities included content creation and SEO optimization for the German and Austrian Websites of the company's online platform Sirelo. The company consists of around 30 young people from a variety of countries - a very international and cool environment to work in.

Michelle

## Alpetour Starnberg

I was part of the sport team where I learned a lot about the product, wrote offers and booked trips. I was in contact with both our customers and our partners. Further, I had the chance to work for other destinations and got to know different work styles. In addition, I helped to organize a big company event.

Kaja

Lorena

## Dräger Lübeck

As part of the "Digital Sales Development" - Department I was able to make valuable experiences. My tasks were various and I also got lots of opportunities to develop solutions myself and implement them. For example, I planned a corporate blog and designed new product detail pages.

Alina

## Tourismusverband Mecklenburg- Vorpommern Rostock

I got a lot of practical insights in the work of a tourism association by working together with different people as well as by participating at meetings and important events like the Tourism Days.
